RE: Flashing Red Lights on Stop Signs - Cromarty at Dorchester Road

Dear Middlesex County Council,

Please be advised that at its regular meeting held on March 11, 2024, the Council of the Municipality of Thames Centre adopted the following resolution:

Resolution: 83-2024

Moved by: C. Crockett

Seconded by: T. Heeman

WHEREAS the traffic along Cromarty Drive will undoubtedly increase once the MTO/County begins the re-construction of the Dorchester 401 overpass this spring.

AND WHEREAS temporary traffic signals have already been erected at Elgin Road (County Road 73) but nothing has been installed to increase safety at Dorchester Road and Cromarty Drive, which is already a contentious intersection that has seen multiple accidents and close calls over the years.

NOW THEREFORE BE IT RESOLVED THAT the Council of the Municipality of Thames Centre requests of the County of Middlesex, the immediate installation of two (2) flashing red lights to be affixed above the existing stop signs located along Cromarty Drive at Dorchester Road on a temporary basis, with the potential of permanency if deemed successful.

Carried.

Municipality of Thames Centre
