SCOR Economic Development Corporation

4 Elm Street
Tillsonburg, Ontario N4G 0B4

Email only: kimberly.earls@scorregion.com

Attention: *Kimberly Earls, Executive Director*

Dear Kimberly:

RE: County of Oxford Notice of Resignation

This correspondence serves to inform you and the Board Members of South Central Ontario Region Economic Development Corporation, pursuant to Section 9.3 – Resignation of the South Central Ontario Region (SCOR) Economic Development Corporation General Operating By-law Number 1, of the following resolution adopted by Oxford County Council at their meeting held September 11, 2024:

“That Oxford County Council direct staff to provide SCOR (South Central Ontario Region) the required one-year notice that Oxford County will be leaving as a member of the EDC (Economic Development Corporation);

And further, Council direct staff to provide all current members of SCOR with a copy of the notice of resignation within 60 days of the passing of this motion.”

Notwithstanding the foregoing, Council recognizes the value of SCOR’s past achievements, most predominantly supporting a successful transition away from an economy heavily concentrated on the tobacco industry through its demise.

County Council cited their decision for this notice as forward looking, to ensure the County invests its resources in the future in initiatives that most effectively meet the County’s 2023-2026 Strategic Plan and directives.

As stated above, this correspondence fulfills the notice requirements by providing twelve months’ notice of the County’s intention to resign from SCOR EDC, and notification within 60 days to the other Members of the Corporation.

I would like to take this opportunity to express our appreciation for your Board and staffs' commitment to supporting our region since 2010 and wish you success achieving the Board's ongoing projects.

Sincerely,

A handwritten signature in blue ink that reads "B. Addley". The signature is fluid and cursive, with the first name "B." and the last name "Addley" clearly visible.

Benjamin R. Addley
Chief Administrative Officer
