RE: Suspension of the Western Fair Association Programming Council

Dear Marci,

This is to inform you that the Western Fair Association Board of Governors made the decision to suspend the operation of the Programming Council for this year (Nov. 2024 – Oct. 2025) and it was confirmed at our Annual General Meeting on November 7, 2024.

As a result, the terms for the Middlesex County Representative, Brian Ropp, and the Warden of Middlesex County, Aina DeViet, have ceased until such time the Programming Council is reconstituted.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Reg Ash, CEO
