Subject: Ministry of Long Term Care Compliance Inspection
Inspection No. 2025-1622-0003

BACKGROUND:

Strathmere Lodge received the public copy of its compliance inspection report (attached) on June 6, 2025, further to a recent Ministry of Long Term Care inspection visit.

One (1) Compliance Inspector from the Ministry of Long Term Care (“The Ministry”) spent three (3) days (May 8, 9 and 13) at The Lodge conducting a compliance inspection, the purpose of which was to assess adherence to legislative requirements contained in the provincial Fixing Long Term Care Act, 2021, and accompanying provincial regulation (Ontario Regulation 246/22).

The inspection was to review a resident fall that lead to injury necessitating hospital transfer (considered to be a “Critical Incident” per long term care home legislation, and therefore, reportable to The Ministry via written submission).

During the inspection, the inspector made relevant observations, reviewed records and conducted interviews, as applicable.

Inspection reports are posted at The Lodge as required by The Ministry. Inspection reports are reviewed at meetings of The Lodge’s Residents’ Council and Family Council. The Ministry posts home inspection reports on its provincial Public Reporting website.

ANALYSIS:

The Ministry Inspector found no non-compliance to provincial legislation at The Lodge as it relates to the requirement to have a Falls Prevention program in place.

This represents an optimal survey outcome for The Lodge, and its residents, families and staff.

FINANCIAL IMPLICATIONS:

Not applicable.
