

Dear Cathy,

First, let us just say, thank you!

We are so glad that this year's tournament was such a success and were honored to have been a part of it.

Your recent donation of four thousand dollars to Victim Services of Middlesex-London helps make our initiatives to support victims/survivors of crime and tragic circumstances possible.

This year, we aim to continue to strengthen relationships and build presence within London and Middlesex County to ensure our services are available to each and every person in need of support.

As our program and number of clients served grows your donation will go a long way in enabling these efforts.

With heartfelt gratitude from our Board of Directors and staff team.

Kind regards,
