

County Council

Meeting Date: October 11, 2022

Submitted by: Chris Traini, P.Eng., County Engineer/Deputy CAO

Subject: Request for Quotation - T-28-2023
3/4 Ton Diesel Crew Cab Pickup Truck

BACKGROUND:

In accordance with the direction of County Council the roads department tendered the replacement of one ¾ ton diesel crew cab pickup truck as per the approved 5-year equipment replacement guide. The deadline for submission of quotations for this equipment was Tuesday October 4th at noon.

ANALYSIS:

Three quotes were received that met County specifications. The lowest bid was submitted by Larry MacDonald Chevrolet-Buick-GMC for the supply of one Chevrolet Silverado 2500 HD at a cost of \$72,400.00 (plus HST).

It is recommended that the bid from Larry MacDonald Chevrolet-Buick-GMC be accepted. The estimated price for this equipment in 2021 was \$65,000 plus HST.

Note that this truck was scheduled for replacement in 2022 but the County received no bids at the time this equipment was tendered back in the fall of 2021. The estimated price of the vehicle was determined prior to the increases in inflation and rising equipment costs in 2022 and the additional bid cost of this truck is reasonable considering these factors.

RECOMMENDATION:

THAT the bid submitted by Larry MacDonald Chevrolet-Buick-GMC for the supply of one Chevrolet Silverado 2500 HD at a cost of \$72,400.00 (plus HST) each be accepted; and

THAT the County Engineer be authorized to undertake all administrative acts necessary in connection with this project, including execution of any contract or other documents, if required.

COUNTY OF MIDDLESEX
