

December 2, 2022

County of Middlesex
399 Ridout Street North
London, Ontario
N6A 2P1

Attention: Mr. Chris Traini, P.Eng.
County Engineer

***Blacks Bridge Replacement
Bridge over Ausable River, near Ailsa Craig, Ontario
Project Number M-G-22***

Dear Mr. Traini:

A total of seven (7) tenders were received for this project on November 29, 2022 through the Bids & Tenders Bidding System. The tenders are listed below in ascending order and include the \$250,000 Contingency Allowance and 13% HST.

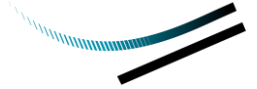

Tenderer	Submitted Price
Sierra Bridge Inc.	\$4,062,594.08
McLean Taylor Construction Limited	\$4,232,019.44
Looby Builders (Dublin) Limited	\$4,309,153.75
Urbanlink Civil Ltd.	\$4,793,776.40
2220742 Ontario Ltd o/a Bronte Construction	\$5,205,594.73
Aecon Construction and Materials Limited	\$6,662,035.68
Facca Incorporated	\$9,113,105.35

Dillon's pre-tender estimate for this Contract was \$4,366,202.48.

Addenda: All seven Tenderers acknowledged receipt of four (4) Addenda.

Tender Prices: The low three tenders were checked for unbalanced prices, and also compared with our estimate of probable project cost. Recognizing the usual variation in unit prices between different Tenderers, the prices in each tender are considered realistic given the nature of the work. Overall the low three tenders vary by only 6%, and are within 7% of Dillon's pre-tender estimate.

Ability and Experience: Sierra Bridge Inc. (Sierra Bridge) has completed several projects of similar size and scope. A bridge experience summary list is attached.

We consider Sierra Bridge is adequately experienced and capable of constructing this contract, and we recommend that the County accept their tender for the price of \$4,062,594.08, and award the Blacks Bridge Replacement, M-G-22 to Sierra Bridge.

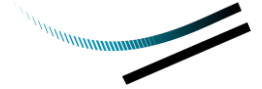

Sincerely,

DILLON CONSULTING LIMITED
