Dear Warden Burghardt-Jesson and Members of County Council,

Congratulations on your recent election to Council. Your victory speaks volumes about your commitment, community dedication and passion, which has no doubt enabled you to achieve such a milestone.

Enbridge Gas is a long-standing partner in more than 340 municipalities across Ontario, and we have deep roots in the places we work and live. With more than 170 years of experience, we understand and value public service and would like to thank you for the commitment you've made your community and residents over the coming term.

We'll continue to work hard to make a difference in the communities we serve in several ways, including delivering the energy customers need and want, natural gas expansion, energy efficiency and low-income programs, and a wide range of community support and charitable efforts. These initiatives are made possible through the support from our many community partners, including elected representatives from all levels of government and we look forward to working with you.

We are laser-focused on providing a safe, dependable, competitive, and sustainable energy choice for customers, and working with communities to help reduce their emissions and reach climate goals. Our efforts are focused on helping homes and businesses use less energy through conservation programs, advancing the transition to low-carbon gases including renewable natural gas (RNG) and hydrogen, and advancing the adoption of innovative clean technologies for Ontario's highest emitting sectors: transportation, building heat and industrial processes. Together, we can drive solutions that will support your community's economic and environmental goals.

My team and I look forward to working with you to develop closer relations and to concentrate our efforts to continue building and maintaining a healthy and vibrant community. Again, congratulations and best wishes for a successful term. Should you or your staff have any questions, or require information at any time, please do not hesitate to reach out to me.

Sincerely,
