Re: Middlesex-London Paramedic Service, Vaccination Clinic

Dear Ms. Moran

I am writing to thank you for your generous hospitality and allowing us to host the Covid19 Vaccination clinic at your facility on June 24 & 25, 2021.

During this event, numerous people including in-car and walk-ups were very thankful for allowing us to utilize this space to provide this important initiative to the public, even gaining local media attention.

Together with the collaboration of Cargill and Middlesex-London Paramedic Service, we were able to administer 990 vaccines over the two days.

Yours truly
